givejedahand #TransformingLives - a phrase not entirely unlike "the #finalsolution" - is the effort by #CAMH #Psychiatry seconded by #CAMHFOUNDATION to effectively "#disappear" #mad and #marginal people first from #TheComppund #QueenWest #Ossington then from #Parkdale #Toronto and eventually all #WestQueenWest and indeed the entire #City. Now it's hard for us even to access a bank so many branches closed for #condo #construction. The few remaining affordable apartment buildings are now being regulated into having to close and become #condos too. Where will their clients live? The shrinks don't give a fuck! They want richer ones anyway! #Thisway! - to your #modelsuite - a closed bank in the #streetsoftoronto - #prettyvacant for #streetphotography! #spotmatic #takumar #Hatsonformentalhealth? #eatyourhst!
